At heart are you a writer? A reader? A researcher? An organizer? We want you for the CAPA Communication Team!

CAPA is growing and members have an ongoing and growing demand for accurate information about arthritis related issues. We want to find and publish that information, and file it as a resource. We are looking for volunteers for:

**CAPA Media Watch!** If you normally read newspapers, magazines, journals, reports and/or web based news you are a natural. We want to keep up with the latest arthritis related information in a variety of areas (science and medicine, politics and political studies, economics and business, ethics and statistics, human interest, literature, etc.) Your involvement includes collecting these stories/information and their web links (wherever possible) and forwarding them to the CAPA Communication Team. If you are interested or want more information contact: [capaeditor@arthritis.ca](mailto:capaeditor@arthritis.ca)

**CAPA Awareness!** Just as CAPA Voices carries information from and about other arthritis related organizations, so we want CAPA news to appear in publications of all sorts. If you normally read newspapers, magazines, newsletters, and watch/listen to TV and radio and want others to know about CAPA and what we are doing to help Canadians with arthritis, we want you on the Communication Team. Your job is to locate publications and opportunities for CAPA news placement and work with the Communication Team to facilitate this. If you are interested or want more information contact: [capaeditor@arthritis.ca](mailto:capaeditor@arthritis.ca)

**CAPA Voices!** If you have a nose for news, can write good copy, and edit then we need your talents. Working in various capacities with the Communication Team, you will help produce CAPA Voices. If you are interested or want more information contact: Colleen at [azmony@shaw.ca](mailto:azmony@shaw.ca)

**CAPA Information Resources!** If your strength is in research and/or organization and information retrieval then we need you on the Communication Team. We are updating our Resource pages and *we want to keep them current*. This means checking resource information for currency, updating it where necessary, writing short explanations for use of material, and finding sources and information for resource posting. We are looking for people who are web savvy, but if you have no experience, that's okay, too. If you are interested or want more information contact: Anne at [annemd@shaw.ca](mailto:annemd@shaw.ca)
